INTRODUCTION
AND
GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of more than 1,400 City, County, State and National Directories, present to subscribers and the general public, this, the latest edition of the Greensboro Directory.

Confidence in the growth of Greensboro's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Greensboro to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Greensboro Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified city like Greensboro, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Greensboro, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section, the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Greensboro.

The Greensboro Out-Of-Town City Directory Library

Through the courtesy of the publishers of the Greensboro City Directory, a Directory Library is maintained in the offices of the Greensboro Chamber Of Commerce for free reference by the general

public. This is one of more than 800 Directory Libraries installed in cities and towns throughout the United States, Canada and Puerto Rico through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

Monument to General Nathanael Greene
Hero of the Battle of Guilford Court House

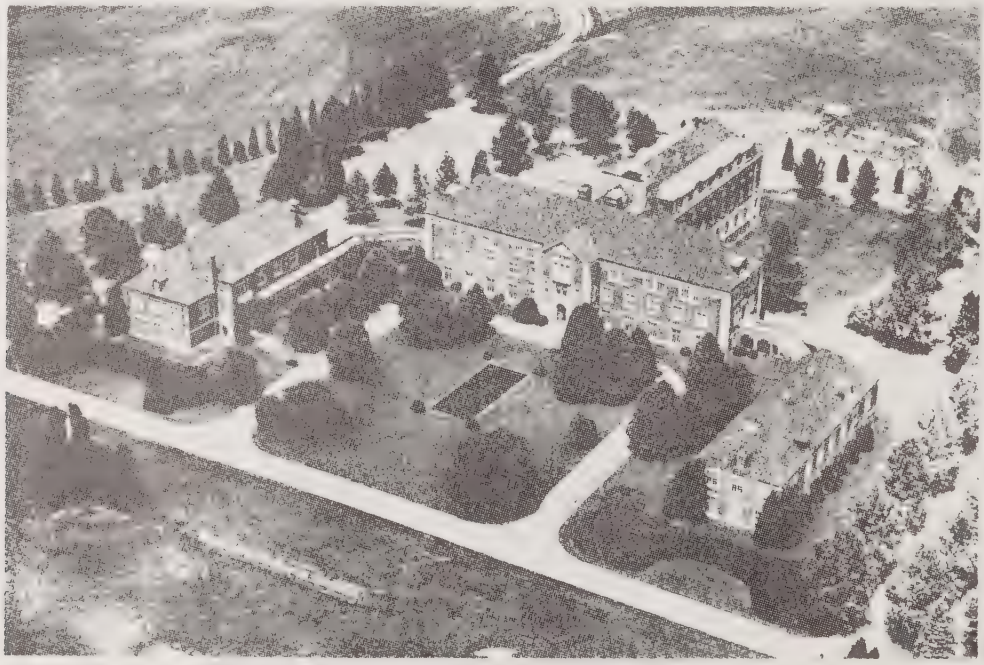
HISTORICAL

GUILFORD COUNTY—Settled chiefly between 1750 and 1770 by Ulster Scots Presbyterians, English Quakers and German Lutherans and Calvinists (German Reformed), the county was established in 1771, from parts of Orange and Rowan counties. It was named after the Earl of Guilford. Containing some 651 square miles. Guilford County, in 1970, had a population of 283,356.

GREENSBORO—The county seat was chartered in 1808, and named after Gen. Nathanael Greene, American leader in the Battle of Guilford Courthouse. U. S. Census figures show steady growth:

1890 — 3,317
1900 — 10,035
1910 — 15,859
1920 — 19,861
1930 — 53,569
1940 — 59,319
1950 — 74,389
1960 — 119,574
1970 — 140,672

BUSINESS



COMMERCE & TRADE

Greensboro is easily accessible to a 50-mile trade area with a population of about 1,500,000. Retail sales for the area in 1969 were approximately 2 billion, and personal income, after taxes, totaled $3.6 billion.

Greensboro is the principal market of the northern Piedmont section of the State. There are some 1,300 retail establishments, 720 wholesale firms and service establishments.

The home offices of three large insurance companies, plus territorial and general agencies of many national firms, have given the city its title of the "Insurance Center of the South."

Although not the largest tobacco market in the Old Belt, Greensboro's market is growing the most rapidly of any in the section. Reactivated in 1959, after twenty-five years of inactivity, the market has increased its sales faster than any other in the Old Belt. This growth is due mainly to the excellent management and Greensboro's location in the center of one of the nation's finest tobacco-growing areas.

GOVERNMENT

Greensboro is administered by a non-partisan council of seven members elected at large who employ a full-time manager.

Good management of the city is reflected in nationally-recognized superiority in public health administration, reduction of fire losses and low insurance rates, salability of municipal bonds, efficient police protection, well-paved streets, and modern sewerage and sanitation facilities. These and other evidences of good government have given Greensboro an atmosphere of enterprise and well-being.

Administering the affairs of Guilford County is a commission of five members elected at large. With its county manager, it is generally regarded as one of the best managed counties in the State, and is frequently pointed out as a model by the N. C. Institute of Government.

A new government center for the City of Greensboro and Guilford County is being constructed in downtown Greensboro.

RECREATION

Greensboro is strongly sports-minded, golf being one of the most popular forms of recreation. There are 15 golf courses and 6 country clubs. Since 1938, the Junior Chamber Of Commerce has been

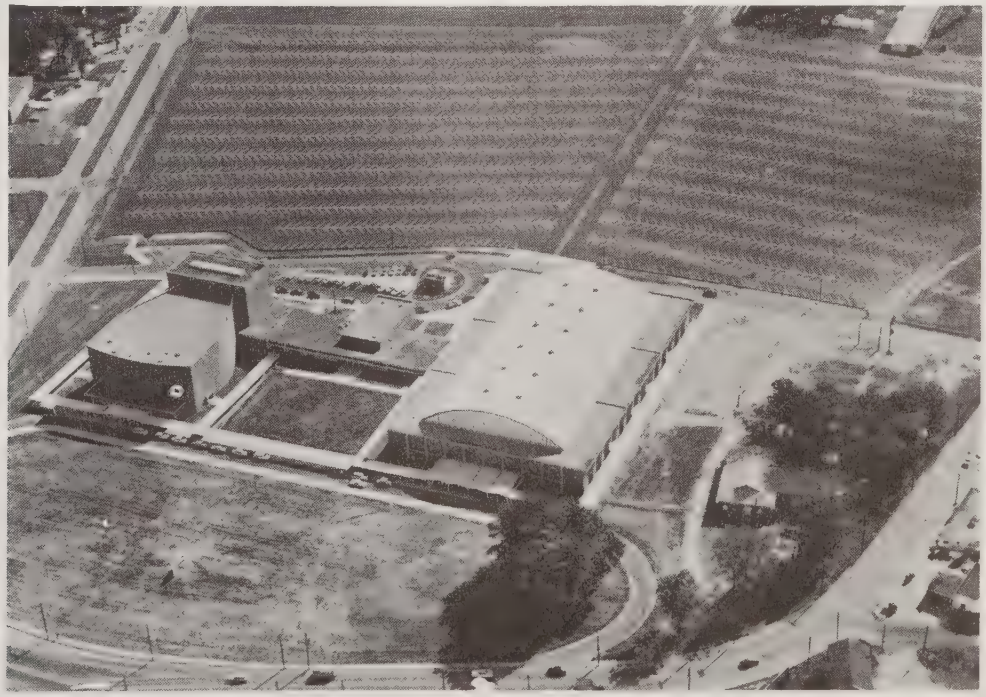
Sedgefield Country Club

promoting the Greater Greensboro Open Golf Tournament, a $180,000 event, which has become one of the best-known tournaments on the national circuit.

Greensboro boasts a baseball team, basketball and ice hockey team. The North Carolina Coaching Clinic and All-Star Games held annually in Greensboro bring high school graduates from more than 110 communities in the State, and the North Carolina Closed Tennis Tournament has been held in Greensboro each summer since the early 1930's. The ABA All-Star Game, in addition to the CIAA tournament, the ACC finals, will be played in Greensboro.

Nearby facilities are available for fishing, boating, swimming, hunting of duck, quail, fox and deer, and skeet and trap shooting. The 6 country clubs have handsome clubhouses where many social gatherings are held: riding, fox hunting, musical programs, dancing, bridge, tennis, skeet, swimming and others.

The schools and colleges schedule continuous series of recreational and educational entertainment and athletic events throughout the school year; over 500 clubs aid specifically in many recreational undertakings. There are 74 parks with a full-time recreational director employed to promote activity throughout the year. Plans are underway to improve in excess of 1,000 acres for park purposes. In addition, three state parks are located in Greensboro with 687 acres.



Few sections offer greater opportunity for year-round living out-of-doors, or more varied recreational advantages. Pinehurst and Roaring Gap resorts are within two hours' drive, and the city lies between the mountain and seashore resorts.

The Greensboro Historical Association operates a city museum with a special section devoted to native William Sydney Porter. The City Recreation Department and the Junior League operate a junior museum. The U. S. Park Service maintains Guilford Battleground National Park, where a zoo is one of the features.

Among the commercial amusements available, there are 6 motion picture theatres, 5 drive-ins, and 2 dinner theatres which offer gourmet buffets and live plays by professional actors. Also located in the city are 3 riding academies, 3 bowling alleys with 112 ten pin alleys and ice skating at the Auditorium/Coliseum.

The Greensboro War Memorial Coliseum was completed late in 1959. Facilities include an auditorium seating 16,500, an arena with a capacity of 9,948, as well as other meeting and exhibition areas, with provisions for closed circuit television.

Regular music and lecture series bring outstanding attractions to Greensboro, such as concert artists, symphony orchestra, plays, authors and other lecturers—now augmented by circuses, ice hockey games, New York Theatricals. The colleges serve as an outlet for amateur theatricals.

POINTS OF HISTORIC INTEREST

GUILFORD COURTHOUSE NATIONAL MILITARY PARK is located on the site of the Battle of Guilford Courthouse. Here, Gen. Greene fought one of the final and significant battles of the Revolution in North Carolina, and the losses Cornwallis suffered contributed in large parts to his surrender at Yorktown several months later. Maintained as a national park, the site has an historical museum and many monuments, including Gen. Greene, Winston, Caldwell, and the Famous "giant" Peter Francisco.

O. HENRY, one of the most famous writers of this country, was born in Greensboro. A bronze tablet on the Masonic Temple identifies his birthplace. O. Henry exhibits are to be found in the Greensboro Historical Museum on the O. Henry Hotel.

DOLLY MADISON'S WELL—This site, identified by a marker near Guilford College, marks the birthplace of the wife of the fourth U. S. president.

THE HOME AND FAMOUS CLASSICAL SCHOOL OF DR. DAVID CALDWELL, first pastor of Buffalo and Alamance Presbyterian Churches, Guilford County's first-citizen, minister, educator, physician and statesman, are marked by plaques on Friendly Road near their sites.

THE GREENSBORO HISTORICAL MUSEUM, containing many well-preserved relics from the city's past, is located on Church Street.

THE Mc NAIRY HOUSE was built in 1761, and serves as an example of the living quarters of early settlers to the area.

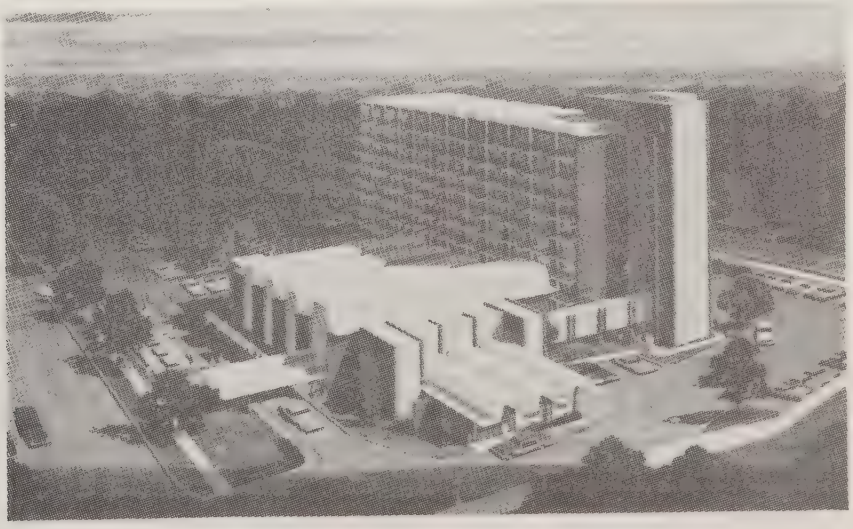
RELIGIOUS FEATURES

The church has always been a powerful and constructive force in the life of every Guilford County neighborhood. The Quaker Meeting House at New Garden (now Guilford College) was established in 1752, and Old Buffalo Presbyterian Church organized in 1756.

Today, there are over 312 churches in Greensboro representing all leading denominations—Protestant, Catholic, Jewish. There is a broad, religious tolerance activated by progressive ministerial associations and the Council of Protestants, Catholics and Jews.

TRANSPORTATION — COMMUNICATIONS

TRANSPORTATION



Greensboro, located in almost the geographical center of North Carolina, has long been a transportation focal point that in early years contributed much to the city's present size and position.

Because of its central location, Greensboro was placed on the main railroad lines and highways. And, when airline facilities were being installed around the country in the 1920's, the city was included in the first north-south mainline service. These transportation facilities and its location were among the more important factors that have made Greensboro natural as an industrial and distribution site, both wholesale and retail.

Regular daily schedules include: 4 passenger trains, 164 buses, 90 direct airline flights in and out of Greensboro, 14 freight trains and 4 package cars.

AIRPORT—The Greensboro-High Point-Winston Salem Airport, a pioneer in the Southeast, serves the Northern Piedmont area. The airport is served by Eastern, United, Delta and Piedmont Airlines; in addition to paved runways, the airport also has a weather bureau, hangars, restaurant, and complete radio equipment. There are 90 airline flights in and out of Greensboro daily.

BUSES—Standard bus lines travel in eight directions to connect all principal cities. Southern Greyhound, Queen City Trailways, Carolina Trailways, and Safety Transit Lines operate under State regulations and clear through a union terminal.

The new Voyager Inn with 232 rooms in Greensboro

HIGHWAYS—U. S. 29, 70 (main east-west), Interstate 85, 220 (main north-south), U. S. 70A, U. S. 29A, and 421 and Interstate 40. More than 2,500 miles of hard-surfaced highways within a radius of fifty miles provide a means of easy access to Greensboro for the 53,000 automobile owners in the area.

RAILROADS—Greensboro is the center of rail, highway and air transportation in the Northern Piedmont. It is served by the main line of Southern Railway (double track) that runs north and south, and 4 branch lines. Southern operated, it provides east-west service.

Modern union passenger, mail, and express terminals are maintained with free pick-up and store delivery on LCL shipments. The REA Express has express service on practically all passenger trains. This makes available passenger train express service at railroad freight rates to all points in the state and to a large portion of Georgia, South Carolina, Tennessee, Virginia and part of West Virginia.

TRUCKS—Greensboro also has a large number of trucking companies with excellent warehouse facilities. The companies operate large fleets in all directions which adds further to the city's transportation facilities. This, and the density of population, make Greensboro more easily accessible to more people than any other city in South Atlantic States.

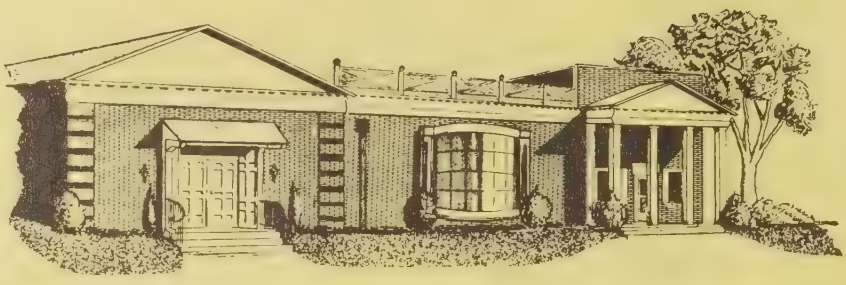
MORE GOODS ARE BOUGHT AND SOLD THROUGH THE CLASSIFIED BUSINESS LISTS OF THE DIRECTORY THAN ANY OTHER MEDIUM ON EARTH

WHY A *Buyers' Guide?*



It is customary to include a Buyers' Guide in the City Directory because:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

☆

The Buyers' Guide is a necessary supplement to the regular listings; it is good City Directory information . . . *EXTENDED*

MORE GOODS ARE BOUGHT AND SOLD THROUGH THE CLASSIFIED BUSINESS LISTS OF THE DIRECTORY THAN ANY OTHER MEDIUM ON EARTH

We realize that we are "DEPENDENT" for our livelihood upon the public whom we serve and that we must represent our insureds at all times.

We realize that we are "DEPENDENT" upon our service to satisfy our insureds and to satisfy our companies.

We realize that we are "DEPENDENT" upon our companies to provide the types of policies which our insureds need and also to provide capable and experienced claim, engineering and advisory service so important to any agent and to any policyholder.

We realize that just claims must be paid promptly and many years ago we chose companies willing and ready to do so. Some of these companies we have represented for over twenty eight years. On the other hand, we have no trouble with unjust claims upon the part of our policyholders. They're just not that type!

We realize that our agency is "INDEPENDENT" only in that we represent BOTH the insured and the company.

It is our pleasure and duty to be fair and honest with both our customers and our companies. Both customers and companies approve. You are cordially invited to try our services.

PLEASE! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100 PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000 PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

★ Out of Business ★

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

Do your employers furnish you with the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

WHY A BUYERS' GUIDE?

IT IS CUSTOMARY TO INCLUDE A BUYERS' GUIDE IN THE CITY DIRECTORY BECAUSE:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

★ **The Buyers' Guide is a necessary supplement to the regular listings; it is good City Directory information . . . EXTENDED** ★

Do your employers furnish you with the latest edition of the City Directory

?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

Out of Sight! - Out of Mind! - Out of Business!

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

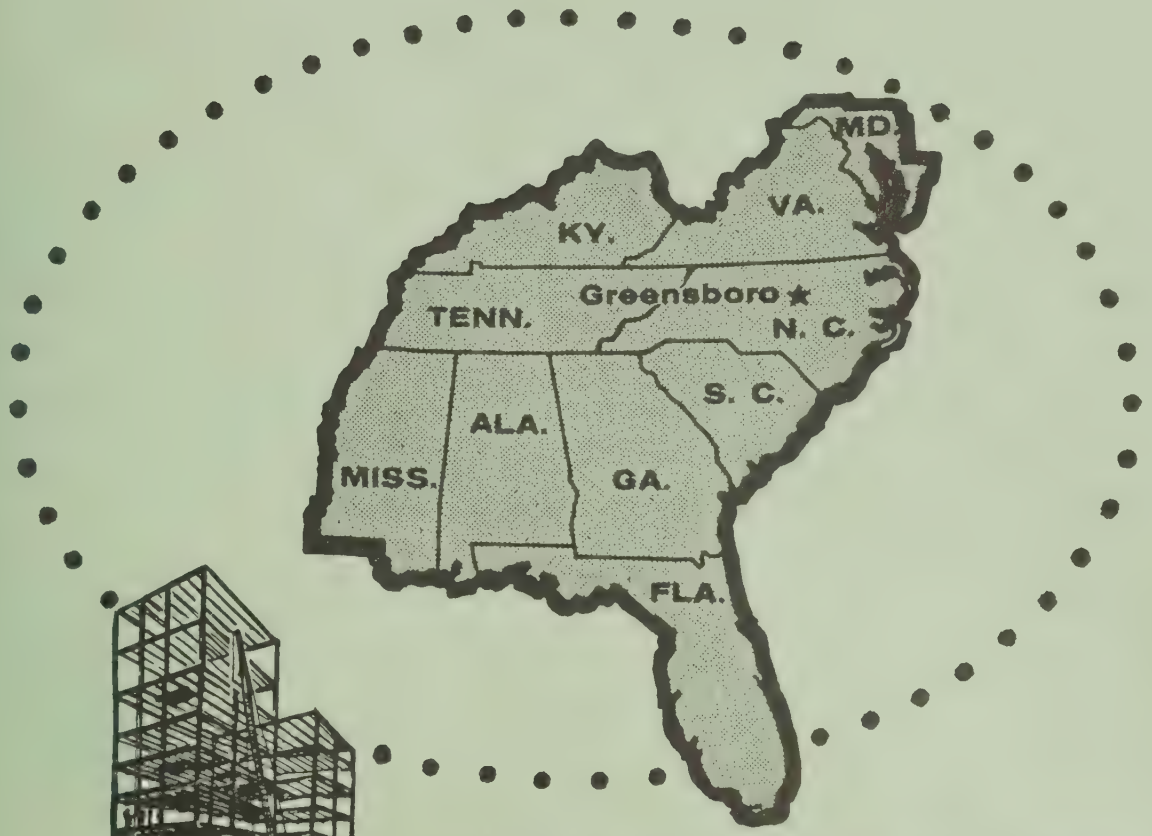
CAUTION . . . .



Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.
